DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

(e) the invention was described in-

(1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effect under this subsection of a national application published under section 122(b) only if the international application designating the United States was published under Article 21(2)(a) of such treaty in the English language; or

(2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that a patent shall not be deemed filed in the United States for the purposes of this subsection based on the filing of an international application filed under the treaty defined in section 351(a).

2. Claims 1-35 are rejected under 35 U.S.C. 102(b) as being anticipated by Bernd et al.

Bernd et al disclose a first member (2), a second member (4) (Fig 1), means or adhesive (811) disposed between first and second members.

3. Claims 1-35 are rejected under 35 U.S.C. 102(e) as being anticipated by Tiburtius et al.

Tiburtius et al disclose a first member (3, 3', 3''), a second member (2, 2', 2''), means or adhesive (4, 4', 4'') disposed between first and second members.

Art Unit: 2831

4. Claims 1-35, 57-60 are rejected under 35 U.S.C. 102(b) as being anticipated by Hart.

Hart disclose a first member (122, 302, 304), a second member (118) (Fig 6A), means or adhesive (306) disposed between first and second members.

5. Claims 57-60 are rejected under 35 U.S.C. 102(b) as being anticipated by Terakawa et al.

Response to Arguments

Applicant's arguments filed 11-14-2002 have been fully considered but they are not persuasive.

Applicant argues (1) that Bernd does not teach or suggest a layer that structureally couples the housing parts 2 and 4 together, (2) that Bernd does not teach or suggest a conductive layer that is electrically bonded to conductive portion of the housing parts, (3) that Bernd is silent to a portable computer. The examiner disagrees. With respect to (1), sealing profile (811) (Fig 4a) is functioning as claimed. With respect to (2), see col 5, lines 10-20. With respect to (3), the invention of Bernd is functioning as claimed.

Applicant's submission of an information disclosure statement under 37 CFR 1.97(c) with the fee set forth in 37 CFR 1.17(p) on 01-29-03 prompted the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 609(B)(2)(i). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 2831

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
